

Falcon Club of America

January 7, 2017

TO: FCA Chapters and Sponsors,

The Pacific Region of the Falcon Club of America is pleased to host the 2017 National Meet for the Falcon Club of America. This event will be held on July 13th - 15th at the Lions Gate Hotel and Conference Center in Sacramento, California. Ford Falcon Lovers from all over the country will be participating in this year's event.

Hosting the FCA National Convention is a major undertaking in financial and human capital. There are costs associated with the hotel, events, postage, awards, supplies, hospitality, signage, security, etc. In order to be a successful event, and keep costs low for participants, we need your financial support.
